STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document

The Church is administered in accordance with the terms of the Deed of Constitution (Unitary Form).

Recruitment and Appointment of Trustees

Members of the Kirk Session are the charity trustees. The Kirk Session members are the elders of the church and are chosen from those members of the church who are considered to have the appropriate gifts and skills. The minister, who is a member of the Kirk Session, is elected by the congregation and inducted by Presbytery.

Organisational Structure

Under the Unitary Constitution, the Kirk Session is responsible for all matters spiritual and temporal within the church. The Kirk Session meets three times per year and at other times as required.

Day to day management is carried out by the office bearers and a Management Team, composed of the Minister, Session Clerk and 10 elected elders, with the Church Treasurer and Fabric Convener in attendance.

OBJECTIVES AND ACTIVITIES

The Church of Scotland is Trinitarian in doctrine, Reformed in tradition and Presbyterian in polity. It exists to glorify God and to work for the advancement of Christ's Kingdom throughout the world. As a national Church, it acknowledges a distinctive call and duty to bring the ordinances of religion to the people in every parish of Scotland through a territorial ministry. It co-operates with other Churches in various ecumenical bodies in Scotland and beyond.

- Services of Worship are held on Sundays at 10.00 am
- Members of the Sunday School and Young Church attend the early part of the services and then depart to follow their own activities. Secondary School age pupils also attend youth activities at other times during the week.
- The church hosts a large number of its own organisations which cater for all ages, and also welcomes outside clubs and University Groups.

The proposed union between Hope Park and Martyrs Churches will take place in 2010 after the retiral of Rev A D K Arnott. A phased programme of remodelling the church and hall facilities commenced in January 2010.

ACHIEVEMENTS AND PERFORMANCE

During the year under review, the bi-weekly café continued to attract members, non-members and visitors to St Andrews and has become a firmly established part of the church's activities.

Other activities again included concerts, golf and putting competitions, a Burns Supper and coffee mornings. Work on the garden area around the church again involved Madras College pupils in stocking and installing flower planters at strategic points and enhanced a main entry point for visitors to St Andrews.

The congregation has been actively engaged in raising funds for the programme of refurbishment and repair of the church and installation of a lift to improve access to the upper church hall. The total cost of these works is estimated at £250,000 and will be met from accumulated funds, direct donations from the congregation, specific legacies and grants from outside bodies. Funds raised for this purpose do not form part of ordinary income of the church. A short term loan facility of £200,000 has been made available from the Church of Scotland General Trustees and any funds used from this facility will be repaid by the congregation over the next two years.

The linking with the congregation of Strathkinness Parish Church of Scotland continued and joint activities and events were successfully held.

FINANCIAL REVIEW

The church receives its general funding, (including Gift Aid donations), from its members and visitors to our Sunday services through open plate offerings, freewill offering scheme, by standing order and cheque. Offerings for special outside purposes such as natural disasters and famine relief were organised and passed on to the relative receiving organisations.

Results for the Year

Income from all sources increased by £72,295 (38.95%). Overall revenue expenditure increased by £4,837 (2.84%). Capital expenditure was incurred on initial costs of the church alterations and refurbishments, (£60,032) and office and computer equipment, (£1,890). Overall membership decreased from 677 at the end of 2008 to 651 at the end of 2009. Despite the decrease in numbers, our membership has continued to be generous in their contributions in 2009. The number of Gift Aid contributions is being reviewed and encouragement to increase giving under Gift Aid is being carried out.

Reserves Policy

The Trustees' policy on reserves is to plan for meeting known liabilities for specific expenditure projects, to make provision for covering ordinary budgeted expenditure, and to plan for and provide resources for the alteration and refurbishment work agreed for 2010.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

Law applicable to charities in Scotland requires the trustees to prepare an annual report and accounts for each financial year which give a true and fair view of the charity's financial activities during the year and of its financial position at the end of the year. The trustees are responsible for preparing the annual report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice (UK GAAP).

In preparing accounts giving a true and fair view, the trustees should follow best practice and:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the accounts; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue its activities.

The trustees are responsible for keeping accounting records which disclose with reasonable accuracy the financial position of the charity and which enable it to ensure that the accounts comply with the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 and the Deed of Constitution. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the Trustees and signed on their behalf,

Ken Morris

Independent Examiner's Report to the Trustees of St Andrews Hope Park (Church of Scotland)

I report on the accounts of St Andrews Hope Park (Church of Scotland) for the year ended 31 December 2009 as set out on pages 5 to 15.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006. The charity's trustees consider that the audit requirement of Regulation 10(1)(a) to (c) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1)(c) of the Act and to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records.

It also includes consideration of any unusual items or disclosures in the accounts and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently, I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In the course of my examination, no matter has come to my attention:

1. which gives me reasonable cause to believe that, in any material respect, the requirements:
 - to keep accounting records in accordance with Section 44(1)(a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations, and
 - to prepare accounts which accord with the accounting records and comply with Regulation 8 of the 2006 Accounts Regulationshave not been met, or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Notes forming part of the financial statements

for the year to 31 December 2009

1. ACCOUNTING POLICIES

The following accounting policies have been applied consistently in the current and preceding year in dealing with items which are considered material in relation to the charity's accounts.

Basis of preparation

The accounts have been prepared in accordance with applicable accounting standards and under the historical cost convention, modified to reflect the inclusion of investments at market value, and include the results of the charity's operations, all of which are continuing.

The charity has adopted the requirements of Statement of Recommended Practice – "Accounting & Reporting by Charities" (SORP 2005) issued in March 2005. The accounts comply with the Charities and Trustee Investment (Scotland) Act 2005, The Charities Accounts (Scotland) Regulations 2006 and the Regulations anent Congregational Finance approved by the General Assembly of the Church of Scotland in 2007.

Funds

Funds are classified as restricted funds, endowment funds or unrestricted funds, defined as follows:

Restricted Funds are funds subject to specific requirements as to their use which may be declared by the donor or with their authority or created through legal processes, but still within the wider objects of the charity. St Andrews Hope Park (Church of Scotland) does not have any restricted funds.

Endowment Funds are funds given on the condition that the original capital sum is not reduced, but that the income therefrom is used for the purpose defined in accordance with the objects of the charity.

Unrestricted Funds are expendable at the discretion of the trustees in furtherance of the objects of the charity. If parts of the unrestricted funds are earmarked at the discretion of the trustees for a particular purpose, they are designated as a separate fund. This designation has an administrative purpose only and does not legally restrict the trustees' discretion to apply the fund.

Incoming resources

All donations and gifts are included within incoming resources under either unrestricted or restricted funds according to the terms under which the donation is made and when the amount can be quantified with reasonable certainty.

Resources expended

All expenditure is included on an accruals basis and is recognised when there is a legal obligation to pay. Irrecoverable VAT is charged against the relevant category of resource expended.

- Charitable activities include expenditure associated with carrying out the charity's objectives.
- Costs of generating funds are those costs associated with attracting voluntary income.
- Governance costs include those incurred in the governance of the charity and its assets and are associated primarily with constitutional and statutory requirements.

Tangible fixed assets

The Church and Halls are owned by St Andrews Hope Park (Church of Scotland) and have been included at a valuation reflecting their current value to the church. The Manse is included at its current value and will be revalued on a regular basis.

Expenditure incurred on the repair and maintenance of these assets is charged as resources expended in the statement of financial activities in the period in which the liability arises, with normal fabric repairs and maintenance charged against general funds and extraordinary repairs met from the Fabric Fund. Costs incurred re the provision of a lift to serve the upper church hall have been capitalised.

All tangible fixed assets costing in excess of £500, and having an estimated useful life greater than one year, are capitalised. Depreciation is provided on a straight-line basis to write off the cost or initial value, less residual value, of tangible fixed assets over their estimated useful lives as follows:

Buildings – Installation of lift	10 years
Buildings - Other	no depreciation - see Note 9
Fixtures, fittings and office equipment	5 years
Computer equipment	3 years
Digital church organ	10 years

St Andrews Hope Park (Church of Scotland)
Notes forming part of the financial statements (cont)
for the year to 31 December 2009

Investments

Fixed asset investments are stated at market value at the balance sheet date. Unrealised gains and losses represent the difference between the market value at the beginning and end of the financial year or, if purchased in the year, the difference between cost and market value at the end of the year. Realised gains and losses represent the difference between the proceeds on disposal and the market value at the start of the year, or cost if purchased in the year.

Taxation

Hope Park Parish Church is recognised as a charity for the purposes of applicable taxation legislation and is therefore not subject to taxation on its charitable activities. The charity is not registered for VAT and resources expended therefore include irrecoverable input VAT.
